28th Annual

Corrales Art Studio Tour

Cover art: Maggie Robinson

www.corralessocietyofartists.org

Welcome

The Corrales Society of Artists is proud to present the 28th Annual Corrales Art Studio Tour. This tour is a celebration of the arts and artists in the Corrales area which allows you to engage with the artists in an intimate setting. Attending the tour provides a unique opportunity to discover a diverse range of artistic styles and mediums. It also allows you to directly support local artists by purchasing their work while experiencing the vibrant cultural scene in Corrales.

This year we have 93 artists, 5 galleries, and over 50 Corrales Elementary students exhibiting a variety of amazing artwork at 33 venues, which includes home studios and local galleries. The journey begins at the preview gallery located at the historic San Ysidro Church at 966 Old Church Road where you can pick up an artisan brochure, map and view art from all participating artists. By following the map and yellow signs, you can visit private studios and galleries where you will see a variety of exceptional art, meet the artists, learn about their creative inspiration, technical processes, and the tools and materials they use to make their unique handcrafted work. Visiting private studios and galleries offers a rare chance to see artists in their natural creative environments, providing insight into their artistic processes and inspirations. It fosters personal connections with the artists, enhancing your appreciation of their work and offering stories that make each piece even more meaningful.

CAST is supported by many Corrales residents and local businesses who share in the passion and excitement that this event brings to our community. Year after year we enjoy strong sponsorship and support, which has been a vital component to our success. We cherish the valuable partnerships and thank them for their generosity. I invite you all to explore our vibrant local arts community while experiencing the amazing charm and hospitality the Village of Corrales has to offer.

We are happy to welcome you into our studios and hope you enjoy the tour. Visitors can receive more information on CAST by visiting our website at www.corralessocietyofartists.org

Sincerely,
Beth Waldron-Yuhas
President of the Corrales Society of Artists

Corrales Bed & Breakfast Lodging

Several eclectic Bed & Breakfasts call Corrales home. Each one offers a truly unique experience. For a weekend getaway or a vacation location, be sure to check out all the Corrales B&Bs have to offer.

Sandhill Crane

sandhillcranebandb.com

The Sandhill Crane Bed and Breakfast, voted one of the top five B&B's in the Albuquerque

Area, is a true adobe hacienda situated on two acres on the edge of the bosque. The home is shaded by giant cottonwoods and pines. A great room features a kiva fireplace and fabulous mountain views. Brick floors and timbered ceilings accent the southwestern architecture, and each room features artwork by local artists. There's also free wi-fi for guest who can't bear to be without their email. Keep up with events at the inn by checking out their blog. It's their way of sharing adventures with their guests. Enhance your stay by adding one of our popular cooking classes or our romance package.

Corazon de Corrales

corazondecorralesbb.com

Corazon de Corrales BNB (Bed no Breakfast) is located in the heart of Corrales; it is the BNB with heart, within walking distance from the Bosque, art galleries, boutique shops, fine restaurants, eateries and breweries.

Enjoy a beautiful courtyard with waterfall pond, outdoor kiva fireplaces and meandering gardens filled with native trees and plants. All rooms feature their own bathroom, private outside entrances, refrigerators and coffee makers. Each room is provided with a basket of fresh baked goods and munchies upon arrival; coffee, tea, fresh cream and condiments are also included.

The Corrales Art Studio Tour is grateful for the support of the Corrales Bed and Breakfast businesses and the Lodger's Tax.
