Corrales Historical Society Visual Arts Council & Corrales Society of Artists

Corrales Historical Society VAC once again partners with Corrales Society of Artists to bring this outstanding fine crafts event to Corrales and Historic Old San Ysidro Church. Past Winter Craft Show vendors are invited without review to apply for booth space in the show. **Any new artist must provide three (3) photographic examples** of their work that is to be sold (send digital examples to **carol@rigmark.com**). To be juried into the show, each entrant must provide an application and fee.
